**SUBJECT: INFORMATION ABOUT OUR PRODUCTS**

**Reference: Your request dated 28/03/2019**

Having received your request, as referred to above, we confirm you that the following product of our production you used:

- **XHC6**
- **HBT603**
- **HGT6074**
- **HBC603**
- **HSC6A176**

obtained from present formulations and from the information received from our suppliers **comply with the standard EN 71/ 3 2002** (Toys Directive).

These controls, not requested by the law, are effected from our suppliers in statistic way or by analyzes; however, the standard specifies requirements and test methods for the migration of the elements from toys materials and from parts of toys, therefore we advise you to carry out an analysis on the manufactured products from specialized laboratories.

For any further clarification you may need, do not hesitate to contact us.

Best regards,

**CARLO PORTA**

**Environment Health and Safety Manager**
